

NZAMD CONTEMPORARY EXAM 2023

31st August to 1st September TBC

Entry Forms and Payment – 22nd June 2023

Dear Parents/Dancers,

Contemporary Exams will be held between Thursday 31st August and Friday 1st September at Auckland Academy of Dance Studios. **TBC**. See below for times. We are unable to finalise the dates until NZAMD collates all their entries and makes an Examination timetable. We will know the dates of the exams mid – late August.

The examination is an important part of our program for all our dancers. It is held in an affirmative environment, which the dancers will find valuable and enjoyable, and provides an opportunity for them to be rewarded for all their hard work.

Examination entry forms and payments must be received at the office by 22nd June 2023. **Exam entry fees are non-refundable.**

There will be **ONE Exam Rehearsal**, which is compulsory in order for the students to become accustomed to working in the exam studio, and in their examination groups. Times will be allocated to the class groups for rehearsal once exam registrations have been received and collated.
